Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 531,984

Grant Date: 09-Feb-04

Approved:

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a)

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

PETITION FOR EXPEDITED FOREIGN FILING LICENSE UNDER 37 CFR § 5.12

2451 Crystal Drive
Crystal Park 5 3D11
Assistant Commissioner for Patents
Arlington, VA 22202

Sir:

It is respectfully requested that an expedited foreign filing license be granted for United States patent application serial no. 10/762987 filed January 22, 2004, a copy of which is enclosed.

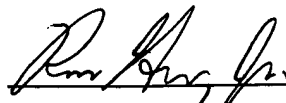

The provisional application on which this application is based (No. 60446839, filed 2/12/2003) has such a license. Moreover, the newly added embodiments in the above-captioned non-provisional application do not depart from the general nature of the subject matter found in the provisional application. Nevertheless, in the remote case that you deem a license necessary, please grant one prior to February 12, 2004.

As you may suspect, the application-at-issue needs to be filed in other countries no later than February 12, 2004 to take advantage of the 2/12/2003 priority date established by the provisional application.

The fee for this petition is \$130.00 and a check is enclosed for this amount.

Respectfully submitted,

Date February 6, 2004

Ronald C. Harris, Jr.
